

Masada's Face Coverings Policy (revised 2021)

AZ HB2898 passed in legislative session FY21 restricts any school from developing a face mask/vaccination policy requiring students and staff to wear face masks and/or obtain a vaccine in order to attend school in-person for on-site learning,

It is the policy of Masada Charter School that all students and staff over the age of five shall be invited to attend school in-person and on-site. Staff and Students are welcome to wear their face covering when they are involved in activities that bring them into close proximity with each other, or as they choose to make themselves feel comfortable. All teachers and staff are encouraged to get vaccinated but are not required to have a vaccine to be in school.
